Invitation to

ClimAct2Adapt conference

– Acting Together For Climate Resilience

FOCUS ON CLIMATE ADAPTATION, SUSTAINABLE WATER MANAGEMENT, AND
COMMUNITY-DRIVEN ENVIRONMENTAL RESILIENCE

Esztergom, Hungary, 8-9 October 2025

Szent Adalbert Event Center

Organised by Ministry of Public Administration and Regional Development of Hungary (MoPARD) and Faculty of Water Science of University of Public Administration (UPS) under the LIFE20 CCA/HU/001604 'In cooperation for climate-conscious river basin management' LIFE LOGOS 4 WATERS project

Dear Colleagues,

On behalf of the organisers, we are pleased to cordially invite you to attend the **ClimAct2Adapt International Conference**, which will be held on **8–9 October 2025** at the **Szent Adalbert Conference Center** in **Esztergom, Hungary**. The event is organised in the framework of the **LIFE LOGOS 4 WATERS** project, co-financed by the European Union.

The two-day conference will provide a platform for the exchange of knowledge and experience related to climate change adaptation, nature-based solutions, and community engagement. It aims to bring together researchers, practitioners, decision-makers, and stakeholders from across Europe to foster dialogue and cooperation in the field of climate resilience.

Conference sessions will address the following thematic areas:

- **Theme 1:** Living with climate extremes – Impacts and adaptation strategies
- **Theme 2:** Practices for adaptive water management – Nature-based solutions in action

LIFE20 CCA/HU/001604

<https://lifelogos4waters.bm.hu>

- **Theme 3:** Climate literacy and community engagement for resilience
- **Theme 4:** Financing nature-based solutions – Innovative pathways for investment
- **Theme 5:** Climate change and human health – Understanding and addressing physiological impacts
- **Theme 6:** Local governments on the frontline – Municipal responses to climate challenges

Registration for the conference is now open and can be accessed through the official **event website**, which is also linked below for your convenience. We kindly ask you to complete your registration **by 26 September 2025** at the latest.

Participation in the conference is free of charge, but prior **registration is required**.

We invite interested participants to submit **abstracts** for **oral presentations** or to participate as **exhibitors**. Detailed submission guidelines and the online registration forms are available on the official [conference website](#).

- ◆ **Deadline for abstract submission:** 17 August 2025, 23:59 (CET)
- ◆ **Participation is free of charge**, however **prior registration is mandatory**.

Abstract formatting requirements are available on the [website](#).

Although the final conference program is still being developed, we are pleased to share a preliminary version with you, which you can find [here](#).

The venue, located in the historic town of Esztergom near Budapest, offers a unique and inspiring setting for professional exchange. Practical information regarding travel and accommodation is also available on the [conference website](#).

We look forward to your valued participation and contribution to the ClimAct2Adapt Conference.
